Great Beginnings Ontario Early Years Center

Parent Handbook

Welcome

Welcome to Our Center

The Ontario Early Years Center is a drop in based program for families with children aged 0-6 years. The program is funded through the Ministry of Education, and there is no cost to families to attend. Our centers are staffed with Early Childhood Educators who provide learning opportunities through play based curriculum that is based on children's interests.

We invite you to interact with your child as you explore the different areas/activities in the classroom. You are your child's first teacher.

The Early Childhood Educator will plan special activities throughout the month ranging from classroom activities, field trips, guest speakers and workshops. If you have a topic of interest or a concern about your child's development, please bring it to the Educator's attention. They will do their best to bring in a professional to address your topic/concern.

The Ontario Early Years Center is a great source of information. The Educator is willing and able to connect families with services that are available throughout the community.

If you have any questions/concerns about the program, please bring it to the Educator's attention.

Most importantly.....Play, interact, and have fun!

Sign In

Guidelines

Please sign in your child and yourself on the computer each time you visit the center.

Supervise Your Child at All Times

Families are responsible for their children at all times while visiting the OEYC. If you need to leave the room for any reason, please take your child with you or ask another visitor to watch them while you step out. At **NO TIME** can your child be left in the care of the Educator.

Electronic Devices

Please refrain from using your cell phone or other electronic devices while in the program. If you have to make a call, please ask another Visitor to supervise your child and step out of the room.

Tidy Up

We ask that you treat the toys/materials in the center with respect. Please help your child tidy up when finished using toys/material before moving onto something new.

Snack

Educators will provide a nutritious snack for all children who wish to eat. We ask that no outside food is brought into the classroom due to possible allergies.

Conversations

Please keep all conversations child based and be mindful of the language you use.

Thank you for your cooperation & care.
